NOTES REGARDING RACE ONE & TWO

There appears to have been errors made by both Competitors and the Finish Boat for Races 1 and 2 sailed on Sunday 21st June 2015. These errors include yachts passing the incorrect side of the Finish Boat to finish, and the Finish Boat dipping a flag to some of these yachts. This dipping of the flag would be seen as an error by the Finish Boat as it generally indicates that a yacht has finished the race.

After consideration, the Race Committee believe that due to the wind direction, line orientation and distance from the last rounding mark of the course, no significant advantage was received by these yachts.

When a boat fails to finish correctly because of a Race Official error and no significant advantage or disadvantage is resultant, then an appropriate and fair form of action is to record the boats as finished – subject to clause (b) below.

Based on the above the following is applied for these 2 races:

a. Any vessel that crossed a line between the PINK Start Buoy and the Green Cabbage Tree Creek Outer Entrance Beacon and either side of the Committee Vessel between these marks, after rounding all previous marks of the course correctly and from the direction of the last mark of the course (Fisheries Beacon rounded to STBD) , will be taken to have finished and a time will be recorded and a race score will be given.

b. This does NOT apply to any vessel that did not round any of the other marks of the course (Fisheries Beacon, Turning Mark (Yellow Buoy), Buoy B (White Buoy) in the correct order and on the correct side.

NOTES REGARDING RACE 5

Due to committee boat errors during Race 5 of the Winter Series, this race was abandoned for Division 2 and re-run. It is the opinion of the Race Committee that these errors did not have an effect on the results for the Multihull, Division 1 or SAGS competitors and as such their original results stand.
