

Water bowls are available at each outdoor tap. Staff cannot handle dog-bowls or pat your dog.

There may not be sufficient seating for patrons with dogs. Advise staff when you book if you are bringing your dog.

Dog Policy

Please help us ensure a friendly, safe, and hygienic environment for Members and Visitors.

Dogs are not allowed in enclosed areas as per Brisbane City Council guidelines. Please walk your dog around the Clubhouse, not through it, then see staff for seating.

Because of the narrow entry to the deck at the rear of the Club, this space is not considered suitable for dogs.

Dogs must be on a short leash, at your feet, and not allowed to toilet or scavenge on Club grounds.

Dogs may not be fed from our plates or utensils.

No barking or aggressive dogs will be tolerated.

Some non-dog owners may be allergic to or scared of dogs. Respect the personal space of non-dog owners; and do not allow your dog to approach any child.

Only Authorised Assistance Dogs are exempt from this policy.

Refer any enquires to secretary@qcy.com.au

Dogs are not allowed on the Sailing School dinghy rigging lawn adjacent to the boat-ramp.

We're sorry if our dog policy seems strict but we have had bad experiences with irresponsible dog owners.

The best way to enjoy the Club with your dog is to bring their mat and portable water bowl.
