RULES

This series will be governed by the:

1. Current Racing Rules of Sailing ("RRS 2021-2024) of the International Sailing Federation (ISAF);
2. Current Australian Sailing (AS) Prescriptions and Special Regulations Part 1, Category 5;
3. Notice of Race (NoR);
4. Sailing Instructions (SI);
5. Class Rules as applicable, subject to change by the NoR and SI;
6. Between sunset and sunrise, when a yacht cannot determine with certainty what tack the other yacht is on, she shall keep clear of that yacht.
7. Competitors are reminded that part of the definition of "room" includes taking into account the existing conditions (including visibility).
8. Whilst a yacht is operating under its engine the International Regulations for Prevention of Collision at Sea will replace the RRS, Part 2.

The Organising Authority (QCYC Inc.) reserves the right to amend this Notice of Race up until the start of Race 1 of the series.

SAFETY CATEGORY

The Safety Category for all Races is Cat 5 of the Australian Sailing (AS) Special Regulations Part 1 Effective 1 July 2021. All yachts are required to submit an audited Cat 5 Safety Compliance form with their entry. Self-auditing is not accepted.

DIVISIONS AND CLASSES

All entrants will be allotted a PHRF (Performance Handicap Rating Factor) rating. Divisions may be formed on the basis of the PHRF's.

SCORING & DISCARDS

The RRS Appendix A - Low Points Scoring system will be used for all series results. Discards are applied as follows:

<u>Series Total Races Sailed</u>	<u>Discards allowed.</u>
7 to 9 race series	2 discards
5 or 6 race series	1 discard
1 to 4 race series	No discards.

Note: The Travellers Series will have a maximum of 1 discard.

TRAVELLERS SERIES

Races 5 to 9 inclusive make up the Travellers Series. The winner of the Travellers Series will be the boat with the lowest total pointscore over all the divisions. Yachts entering in the Travellers Series will be eligible to win a trophy in each individual Winter Series race but will not be considered for overall Winter Series trophies nor will their results affect the overall Winter Series results.

OTTER ROCK PLATE

The Otter Rock Plate for monohulls will be awarded to the monohull team with the lowest total pointscore for Races 6 and 7 sailed on the weekend of the 1st and 2nd of July. Monohull teams are to consist of 2 yachts from any of the monohull divisions.

The Otter Rock Plate for multihulls will be awarded to the multihull team with the lowest total pointscore for Races 6 and 7 sailed on the weekend of the 1st and 2nd of July. Multihull teams are to consist of 2 multihull yachts from the multihull division.

Teams may consist of yachts which have submitted series entries or individual race entries. Teams are to be nominated in writing to the race committee before 1600hrs on Friday 23rd June. No team nominations will be accepted after this time.

WINTER BELL CHALLENGE – QCYC & Sandgate Yacht Club

The Winter Bell Challenge will be awarded to the club (QCYC or SYC) with the lowest total PHRF points score for the series. The number of yachts who are eligible to contribute to the total points score for each

Club will be determined by the lesser number of boats competing on behalf of either Club less one (Example: if SYC have 5 yachts competing in the series and QCYC have 6 boats then Challenge results will be based on the best four performing yachts from each club). If either Club only has three or fewer boats competing, the number of yachts scoring for the Challenge will be 3.
